FREE Program

The Building Trade Needs You!

The Master Builders Orientation day is designed to give students insight into a career in the building trades industry, and what is required to succeed.

Together with the Master Builders Association of Victoria (MBAV), The Gordon has developed this free program suitable for students interested in a career in the building industry.

Program overview

The program will include:

- A bus trip to domestic and commercial building sites in the Geelong region
- Presentations from local MBAV members
- Opportunities for students to ask professional tradesmen about their experiences
- Show bag with information and pathways on building trades
- BBQ lunch

Supervision of students

Students will be accompanied to the building sites by a MBAV member (with current construction induction training), TAFE teachers and a Victorian Institute of Teachers (VIT) registered staff member. This meets the WorkSafe and Occupational Health & Safety requirements.

Program Delivery

Date: Thursday 13 October

Time: 9.30am

Location: Tour departs from The Gordon's East Campus G building carpark and will return to The Gordon for a BBQ lunch and tour of the facilities. Students will be dismissed at 2pm.

Benefits for students and teachers

- Students will learn about the lifestyle, career paths and benefits of working in the building trades industry. They will also learn about what qualifications, skills and interests are important to succeed in this industry.
- This program will give students the knowledge they need to take the next step in their career with a pre-apprenticeship or into a full-time apprenticeship.
