VOCATIONAL & HIGHER EDUCATION NEWS

Compare important data between education institutions: Choosing the education institution that is right for you is crucial. Not only will it increase your chances of completing the course, it makes good economic sense to thoroughly research your options.

The Quality Indicators of Teaching and Learning (QILT) website enables students and families to compare data between universities, private providers and TAFE institutes in course areas they are interested in taken from current students and recent graduates of the institutions. Measures include:

- Overall quality of education experience
- Teacher quality
- Learner engagement
- Access to learning resources
- Access to student support
- Experience of newly qualified graduates
- Teaching scale
- Skills scale
- Employment outcomes

To access the website, go to www.qilt.edu.au/

Science news: Be inspired by the latest stories featured on RiAUS – Australia’s Science Channel. Some of the topics covered this week include:

- How eating chocolate may actually make us healthy
- Earth’s accidental force field
- Tracking the spread of the Zika Virus through DNA
- What’s your ultimate career? Take the survey and go into the draw to win great prizes
