

# Bike Ride Map

🚲 **1<sup>st</sup> Stage** → Junior School to Breakwater (6km) – riders need to be wary of road crossings during this stage of the ride.

🚲 **3<sup>rd</sup> Stage** → Breakwater to Junior School (6km) – riders need to be wary of road crossings on their return journey to school.

**Cycling notes:** The ride begins at Junior School, from the Civic Centre car park. Students walk their bike to the traffic lights at Cnr of Reynolds Rd and Colac Hwy. Once we have crossed the Hwy, cycling groups will ride slowly south for approx. 100m. and turn left into Waurnvale Drive, then left into Highmont Drive to join the Waurn Ponds bike path. Cyclists will continue along the Waurn Ponds Creek to the Surf Coast Hwy. Cyclists will be supervised whilst using the pedestrian lights when crossing the Surf Coast Hwy and then continue south for approx..100m, turning left into Winter Street to continue along this street to rejoin the bike path. The ride continues to follow the path to the Barwon Heads Rd where we will again be careful and take our time to cross this major road.

Riders will return the same way once they have completed Stage 2 of the ride.

CCG Junior School

Road-crossing using pedestrian lights

Road-crossing

Students will ride down Winter St to rejoin the bike path to the Belmont Common.

- START: ●
- FINISH: ●
- EASY: 🚲
- DIFFICULT: 🚲🚲🚲🚲🚲

- TRAIN STATION: 🚆
- HIGHWAY, STATE ROUTE NO: M1

🚲 **2<sup>nd</sup> Stage** → Breakwater to Queen's Park and return (15km) – riders will ride down the north side of the river towards Landy Field where we will stop for a toilet break for the riders (if required) and meet Support Vehicle. From Landy Field we will continue along the bike path towards Balyang Sanctuary, where we will congregate as a group once again to meet up with the Support Vehicle. Students will then ride to Queen's Park, crossing the bridge and returning on the south side of the river to Barwon Valley Park for lunch.
