### OSHC Update

Hello everyone, hope you all had a great 3 weeks' school holidays! Can't believe we are already heading into Term 3.

We are looking forward to seeing existing and new children and families in OSHC this term. We have some really exciting things planned for this term. We are expecting our service to go digital in the next few weeks as we are expected to receive a tablet to use in the service. This will mainly be used for the roll, replacing the use/waste of paper! When this arrives you will electronically sign your child in and out of the service, this will automatically input the time you sign them in or out, so please be mindful of our service times which are: Before School Care 7-9am and After School Care: 3.15-6pm. If children are signed in before 7am or after 6pm you will be charged extra early/late arrival fees which add up to \$1 per minute, per child and we unfortunately cannot change the times manually. So if there may be a time where you may be running late please update on your Parent Portal your additional contacts/authorisations for pick up of your child/ren so we can allow someone other than you to collect your child and sign them out in case of emergencies! If you have any questions in regards to this, please come and speak to myself or Shae and we are more than happy to help you out / refer you to the right direction.

Have a fantastic first week of Term 3!
