

Term Two

Speaking and Listening

Our Speaking and Listening program for Term Two will continue using the same format as last term. We encourage each of the students to bring in their information written in dot points. This will help them to remember the key points that they would like to speak about. We would anticipate that these topics would provide time for some lovely interaction at home as you support your child in planning for their turn. Our Integrated Studies topic for Term Two is “Night and Day ” so we have incorporated this topic into our speaking and listening program.
