

**CHRISTIAN COLLEGE GEELONG
AND
EAST TIMOR**

C E L E B R A T I N G

Over the last 15 years, Christian College staff, families and friends have been committed to building strong and caring relationships with our friends in East Timor, our nearest international neighbours. After the Timorese people's heroic and tenacious fight for freedom and independence, Christian College Geelong made a long-term commitment to help and support the people of East Timor and in particular, the Viqueque community.

This year we recognise and celebrate the first 15 years of this special relationship and commitment.
