

Year 8 - 2018 Elective Sheet

Dear Student and Parent,

Within the elective program each student participates in three elective subjects per semester for a total of six for the year. Each subject consists of three periods per week.

Students are asked to rank each subject listed below from 1 to 12 according to their preference. 1 is first preference, 2 is second preference, and so on. It is not always possible to offer a student their first priorities; therefore, it is important that students consider the ranking they give to each subject.

Parents and students are strongly advised to attend the Elective Expo on **Wednesday August 30** where staff will be available to assist families with elective selection, subject pathways and to assist with completing the elective form online.

It is important to note that all students must study:

- at least 1 Design and Technology subject for the year
- at least 1 Arts (Performance/Visual) subject for the year

Information

- Elective Music and Sport can be selected for a semester or whole year
- Studying Japanese or Indonesian as part of the core academic program is compulsory. Tick the language you wish to learn. In addition, if a student wishes to study both languages they are to select Japanese as a core and rank **Indonesian Elective** No. 1 as part of their elective selection.

Language: Tick the language you wish to undertake within the core program.	
Japanese	<input type="checkbox"/>
Indonesian	<input type="checkbox"/>
